Trimline Outdoor 50L

Trimline Outdoor 100L

Sleek. Smart. Strikingly adaptable. The Trimline Built-in Burner Tray Series redefines the way fire integrates into your outdoor space. Designed for minimalists and design-lovers alike, this open-style burner tray brings clean fire aesthetics to life — with the freedom to shape your own installation around it.

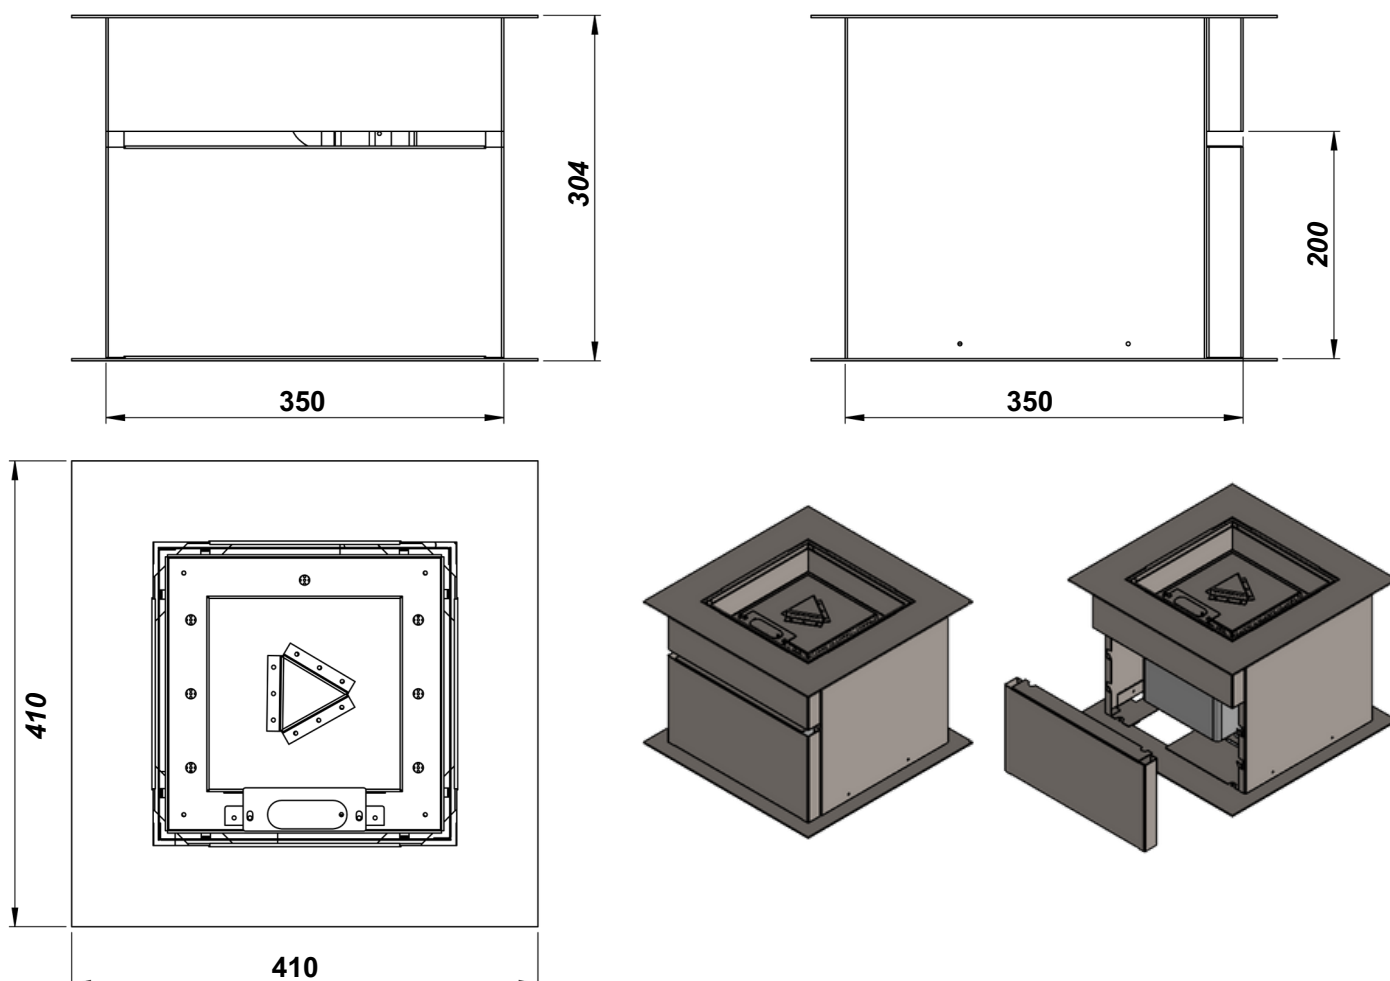

Available in four meticulously engineered formats — 30S, 50L, 75L, and 100L — the burner tray series fits effortlessly into a wide range of outdoor concepts.
