

Trimline Woody Loft 3SL/3SLH

Form meets function.

Elegantly crafted with rilled side panels, this stove adds a tactile dimension that not only enhances its visual appeal but also subtly reflects the flickering flames, amplifying the sense of movement and warmth. A special glowing effect along the rills creates an atmospheric glow, turning every flame into a captivating visual performance.

The Trimline Woody Loft 3SL(H) redefines modern woodstove design with its bold aesthetic and panoramic fire view. Thanks to its three-sided glass construction, the fire is visible from every angle—creating a dynamic centerpiece for any living space. Whether you're entertaining or enjoying a quiet evening, the Woody Loft 3SL(H) draws everyone into its warm embrace.

This stove is available in two heights: 82 or 92cm.
